**Nehemiah Charitable Fund to Host
Community Health Fair Event**

San Bernardino, CA – The Nehemiah Charitable Fund is pleased to announce that it will be hosting a Community Health Fair Event on Saturday, May 21, 2022. The event will be held in downtown San Bernardino located at 255 North D Street (parking lot) from 10:00am to 2:00pm. The purpose of this event is to provide access to COVID-19 prevention education and information on Covid testing & vaccination locations in the county including health screenings, and community health resources for children and families.

The primary goal of the event is to ensure that low-income residents and those from vulnerable communities receive the community health resources and referral information they need to stay healthy and resilient. There will be various vendor exhibitors participating at the health fair such as San Bernardino County WIC, Option House, IEHP, Building Resilient Communities, IECAAC, and other agencies that provide health education services, mental health services, free health screenings, emergency basic needs, referrals for transitional housing.

An opportunity drawing will also be held for a chance to win a \$50.00 or \$100 Stater Bros. food gift card (must be present to win). We are expecting approximately 150+ people to attend this year's event. Free parking is available and there's no charge to attend. Advance registration is required for this event; you can register at www.Eventbrite.com or email us at info@nehemiah-fund.org

About Nehemiah Charitable Fund:

Nehemiah Charitable Fund is a nonprofit organization that works to build capacity for stronger communities. Our mission is to provide capacity building resources and promote philanthropic leadership in San Bernardino County. We achieve this by providing training, education, and technical assistance to nonprofits and residents. As such, our programs and initiatives aim to increase leadership development, community engagement, and outreach activities to individuals and families. Since its inception, our organization has provided outreach and education to over 6,200 residents representing vulnerable and low-income communities in the region.
